

# WESTIN DALLAS GALLERIA

DALLAS, TX

\$56M UBS Renovation

SMWM/ Omniplan Design

## DETAILS

Major renovation of common areas, hotel rooms and glazing

Structural reshaping of existing floor openings at stairs and escalators

Addition of new escalators and extension of elevators and stairs to new pavilion level

Enhancement of existing roof terrace to create new 14,000 GSF pavilion

Long span pavilion roof structure designed to provide partial support to existing 90 foot precast tee floor structure

Addition of TMDs to help dampen vibration concerns
